- a) **Mentoring System** – Each class of B.Pharm is divided into 3 batches and each batch is assigned a faculty member as mentor who would periodically review and counsel the students in their academics, placements, participation in extracurricular activities and if required their personal problems too. Similarly one faculty member is assigned to each M.Pharm specialization and one faculty member for Pharm. D.
- b) **Feedback** – Feed back was collected from students in every semester and was recorded for further improvement and relevant suggestions are effectively implemented.
- c) **Frequent Staff Meetings** – Teaching staff meetings were held at least once in a month to review the progress of various activities.
